

ALUKON COLOUR RANGE

FOR ROLL FORMED ROLLER DOOR PROFILES WITH FOAM

ALUKON
Sonnenschutz Rollläden Insektenschutz

The listed profile colours are standard and trend colours. Not all our roller shutter profiles are available in the above shown colours. For more detailed information, please contact your retailer. We cannot guarantee the uniformity of all colours of our range due to different suppliers of our straps.

Within the colours teak, golden oak and oak, differences in the structure may occur. A general guaranty for the structure and colour cannot be given.
